

About GPPE

The Global Printing & Packaging Expo (GPPE) is Indonesia's leading exhibition for the printing and packaging industry, bringing together top suppliers, manufacturers, and decision-makers under one roof.

Showcasing the latest in printing technology, packaging innovation, automation, and sustainable solutions, GPPE serves as a powerful platform for businesses to connect, grow, and stay competitive in a rapidly evolving market.

Designed to link serious buyers with trusted suppliers, GPPE attracts a high-quality audience seeking what's new, what's innovative, and what delivers real value.

Label & Carton Box Expo

Co-located with GPPE, the Label & Carton Box Expo focuses on the latest advancements in label printing and carton packaging.

From flexo and digital printing machines to eco-friendly materials and smart packaging solutions, the exhibition connects industry players across FMCG, retail, and logistics—creating opportunities for innovation, networking, and business growth.
