B) Weather Condition:

Delhi's has an extreme climate. It is very hot in summer (April - July) and cold in winter (December - January). The average temperature of May varies from 40°C to 45°C.

To avoid the intense heat, we advise to wear light cotton cloths, wear hat or sunshade while going outdoors and drink plenty of liquids.

In the Venue, IPAMA is providing **Complimentary chilled packed water bottles to Visitors, Exhibitors and delegates.**

- C) Accommodation:** For the convenience of the Visitors, IPAMA has negotiated with the Hotels for maximum benefits in minimum rates. You can check the rates and contact our travel partner to avail the benefits.
