

PRESS RELEASE

PRINTPACK INDIA 2021: Exhibition again proves a mega blockbuster, crosses 111 bookings on Day 1

Immediately on opening of space booking for PRINTPACK INDIA 2021, 109 bookings were received on day one itself. These are expected to reach up to 150 in a week's time.

On the eve of 14th edition, the President of IPAMA had announced organisation of PRINTPACK INDIA 2021 exhibition from February 03-08, 2021 in Delhi NCR. He had also announced that the booking of space for the same will commence from 16th February 2019. The interested companies can book space by depositing an initial amount of Rs.50,000/-. It is a matter of pride to inform that within a period of four days i.e. from 16th February till 19th February 2019, 129 companies have already booked their space by remitting the initial amount of Rs. 50,000 in IPAMA's account. By the end of February 2019, some more companies are also expected to send their applications for booking of space along with the requisite amount.

As the prevalent practice, the space will be allotted to the companies on "first come first served basis". The priority number will be given to each Exhibitor, strictly in order of receipt of remittances from the companies credited in IPAMA's Bank account. A final decision, regarding the space charges and the benefits to be provided to the exhibitors, will be announced in due course of time.

During PRINTPACK INDIA 2021, some more dedicated halls for different segments like Screen Printing, Flexible Packaging/Signages may also be included, as like two Halls were specially earmarked for Corrugation and Label Industry in the 14th edition, so that the Visitors could go directly to such Halls.
